Dear Miss Schuck:

Pleased to have your letter and, in fact, have introduced
a bill to extend P. L. 480 for three years.

Members of the Kansas Delegation have a special interest
in this legislation as it was conceived by the late and
great Senator from Kansas, Andrew Schoeppel, and passed
the House of Representatives in 1954 when another Kansan,
Clifford Hope, was Chairman of the Agriculture Committee.

Enclosed is a copy of my bill and statement made the day
it was introduced.

Sincerely yours,

BOB DOLE
Member of Congress
