Dear Bob:

Thank you for your vote in favor of the North American Free Trade Agreement (NAFTA). I personally believe that this trade agreement was one of the most defining moments in American history.

With the creation of the world's largest free-trade zone, Enron will proceed with project development amounting to over \$1 billion for power plants and pipelines in Mexico. We are but one example of the thousands of U.S. companies and tens of thousands of U.S. employees who will benefit from expanded trade with Mexico.

Again, thank you for your leadership and for your vote in favor of an America willing to compete in the global marketplace.

Sincerely,
