Dear Sir:

The McClatchy newspapers recently published a series of unusual articles by C. K. McClatchy, associate editor of The Sacramento Bee. The material is unique in that it is based upon the author's experience and observations during a recent three and a half week visit to Cuba where he traveled widely and without restriction. Few American reporters have had this opportunity in late years.

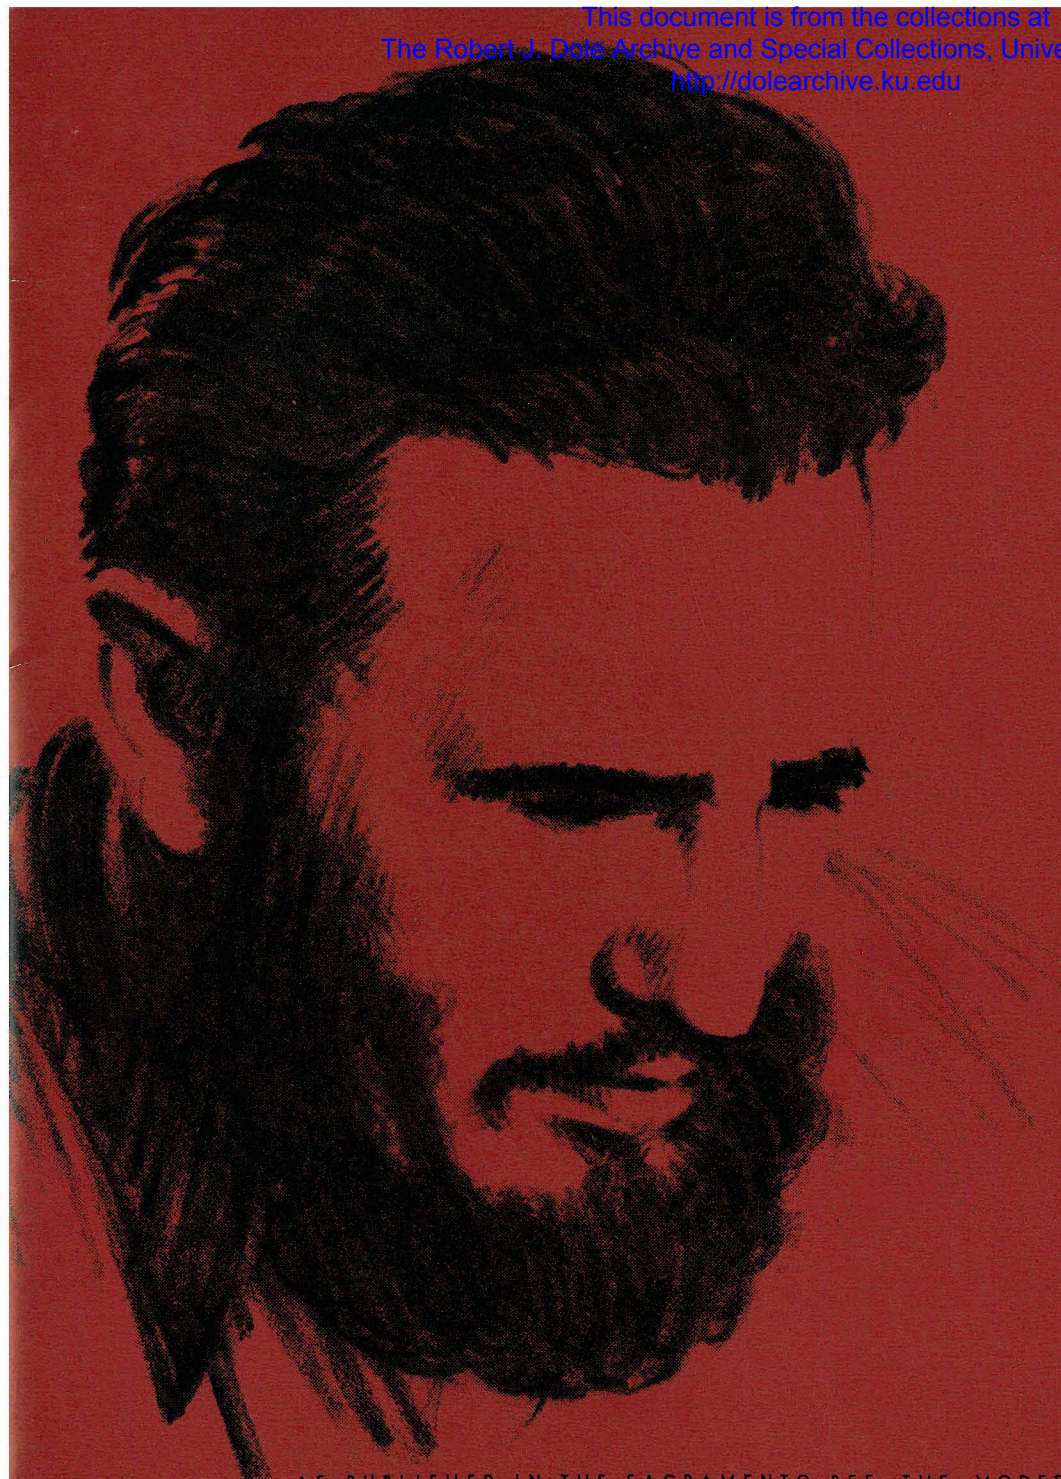

Attached is a copy of the reprint edition of these articles. We believe you will find them to be of interest and value.

Sincerely,

McCLATCHY NEWSPAPERS
