

INFORMATION FOR MEMBERS OF CONGRESS

'4 DEC 1995

SUBJECT: RESERVE COMPONENT FORCES IDENTIFIED FOR
POSSIBLE PARTICIPATION IN IMPLEMENTATION FORCE
(IFOR)

The Secretary of Defense has authorized identification of units and individuals to begin preparation and training should there be any subsequent decision to deploy them in support of IFOR.

The 102nd Military History Detachment (National Guard), Topeka, KS, has been identified to conduct training for possible deployment to the European Theater to support United States Forces that may participate in NATO Implementation Force Operations in the former Yugoslavia. This unit has not, repeat not, been directed to actually deploy. Such training is a prudent step should any subsequent decision be made by the National Command Authority (NCA).

Points of contact for this notification are LTC Pete Simoncini and LTC Steve Mirr, (703) 697-8602, Office of the Chief of Legislative Liaison.
